## **NMI 5080 - BR Consulting (0.5-3 Credits)**

BR Consulting educates students on consulting through work on a project with a local company, non-profit or alumni run small company. The seven directors act as the partners of a consulting firm. Through this process they learn the aspects of running a consulting business and how to be a manager or above on a project. There are weekly meetings with the faculty for education, managing the business and reviewing consulting students projects. The student consultants apply in the fall to be a consultant. They take responsibility for finalizing the consulting project, conducting the work and delivering a final recommendation in the spring before graduation. There are six just in time education sessions timed to the specific point in their project. In addition, there are regular meetings with the directors and faculty. The students present their interim findings before winter break. Before they deliver the final presentation, there are multiple reviews and a case competition.

**Last Four Terms Offered:** Spring 2023, Fall 2022, Spring 2022, Fall 2021
