

DUFFIELD COLLEGE OF ENGINEERING DISTRIBUTION REQUIREMENT COURSE LIST

Communications in Engineering (CE-EN)

The primary aim of courses in this area is to provide students with the opportunity to practice performing a range of engineering related communications skills within specific genres.

Code	Title	Hours
ENGR 3350	Organizational Communications for Engineers	3
ENGR 3500	Engineering Communications	3
ENGR 3600	Communicating Data for Engineers	3
ENGR 3700	Communications Consulting for Engineers	3
ENGR 4590	Physical Design Communication in Biological Engineering	3
ENMG 6011	Professional Development Workshop for Engineering Managers	0.5
MSE 5540	Introduction to Additive Manufacturing	3
SYSE 5151	Foundations of Systems Engineering	4
SYSE 5412	Creating Solutions with Embedded Systems	1
SYSE 5492	Cybersecurity for Systems Engineering	3
SYSE 5650	Programming Essentials for Health AI and Data Science	3
SYSE 6170	Quantitative Foundations for Systems Engineering	3
