

FINE ARTS MINOR

College of Architecture, Art and Planning

Program Website (<https://aap.cornell.edu/academics/art/>)

Program Description

The art minor is an opportunity for undergraduate students who are not enrolled in the Department of Art and who have a serious interest and/or background in studio art to continue their commitment to art at the college level.

The curriculum for the minor in fine arts totals a minimum of 15 credit hours. All coursework must be completed at Cornell University, and a grade of C or better is required. In addition, any coursework used to fulfill the minor cannot also be used to fulfill specific requirements of the student's major.

Interested students must complete an Intent to Minor form in order to receive priority in the studio enrollment process. Completed forms should be submitted to the Department of Art. Upon successful completion of all minor requirements, students must submit an Application to Graduate with a Minor in Fine Arts to the Department of Art at least one month prior to graduation. The Department of Art will verify completion of the minor and the minor will be recorded on the official transcript at the time of degree completion. Both the Intent to Minor form and the Application to Graduate with a Minor in Fine Arts are found online on the AAP Academic Forms page (<http://aap.cornell.edu/resources/student-services/academic-forms/>).

Questions regarding the minor can be directed to the Department of Art, 224 Tjaden Hall.
