---

College of Arts and Sciences

Program Website (<https://lgbt.cornell.edu/>)

## Program Description

The Lesbian, Gay, Bisexual, & Transgender (LGBT) Studies Program offers an undergraduate minor as well as a graduate minor. The undergraduate minor consists of four courses. For a complete listing of all courses that will fulfill this minor please see the Lesbian, Gay, Bisexual, & Transgender Studies portion of this catalog.

## Minor Requirements

Undergraduate students in any college at Cornell may minor in LGBT Studies in conjunction with a major defined elsewhere in the university. The minor consists of LGBT 2290 Introduction to Lesbian, Gay, Bisexual, and Transgender Studies and three courses chosen from the Course Offerings link above. Students may petition the Director of LGBT Studies for courses not listed.
